Wu Hypnotherapy and Life Coaching Terms of Service

Please read through carefully before signing the 'Client Declaration of Agreement' at the bottom of this form.

Confidentiality

All of our interactions (conversations, client information forms, email, etc.) will remain strictly confidential, meaning that Wu Hypnotherapy and Life Coaching will not share any information provided by you with anyone without your express consent unless you have told us that you are a harm to yourself or someone else in which case we would contact your doctor. Any information you have provided will be processed in accordance with the Data Protection Act 2018. Our full privacy notice is also available at www.wuhylife.co.uk.

Availability

You may feel free to contact us outside of our scheduled sessions by phone or by email. In fact, we encourage you to stay in touch via email as this provides an easily accessible way for us to monitor your progress and to add extra insights during your journey. We will do our best to return all phone calls and emails within 24-hours of receiving them (except when out of town or on holidays).

Commitments and Integrity

If we make a promise to you, we will always do our best to keep to it – in the way promised and in the time frame promised. If, in exceptional circumstances only, we are unable to keep a commitment, we will notify you of this as soon as we know of the need for change. We will deal with you at the highest standards of integrity, honesty, professionalism, and respect. We will let you know if at any point in time We feel that our involvement is not likely to make a positive difference in your life and/or business. By the same token, We expect you to keep any promises or commitments made during our sessions, including homework that we set you.

Non-Judgment

We are not here to judge "right" or "wrong". Your therapist is here to help you get the life you want. As there may be times when you will share information that may make you vulnerable, We assure you that we will treat your choices and actions (past, present, or future) with respect.

Feedback

Give and ask for feedback as much as possible. Let us know when something is working for you, as well as when something is not. The earlier the better. If we ever do or say anything that upsets you or does not feel right, please bring it to our attention so that we can resolve it as soon as possible. Our objective is to have a relationship that is fully open, honest, real and trusting.

General

If you are delayed for an appointment, please call us to let me know on **07789740933**. Wu Hypnotherapy and Life Coaching do reserve the right to cancel the appointment should you be so late that it is going to impact on the therapist's future engagements and plans that day (including personal).

If our service in anyway falls short of the standards we set or that you expect, then please raise with your therapist in the first instance. We will do our utmost to ensure that your needs are always met. However, if you feel the need to escalate the complaint then you can do so in writing to info@wuhylife.co.uk. If any complaint still remains unresolved to your satisfaction then please contact the General Hypnotherapy Register admin@general-hypnotherapy-register.com.
